EXPLAIN

The protesters had stolen multiple barricades and blocked off the area of SW 3rd/SW Salmon Street, SW 3rd/SW Main, and SW 4th/SW Main Street. Through out the night, the protest turned violent. The protesters began throwing projectiles at myself and other officer including, glass bottles, balloons filled with feces, and other hard objects. I personally got hit with a glass bottle or hard object on my head. Individuals in the crowd were shining laser pointers in my and other officers eye's. At one point it was broadcasted that the crowd was attempting to break into the Justice Center and Central Precinct. It was also broadcasted that the crowd was charging Officers in front of Central Precinct. The entire time the protestors were standing in the middle of street and blocking traffic. I saw one protester spray paint the north side of Central Precinct.

EXPLAIN

Around 2225 hours the sound truck broadcasted that the assembly was unlawful and gave force warnings prior to our arrival. Myself and the rest of my squad made our first push around 2235 hours. Despite the unlawful assembly declaration and the repeated force warnings, the crowd continued to block traffic. Many individuals in the crowd had shields and motorcycle helmets on. Individuals in the front of the crowd stood in the front of the line and shielded individuals in the back so they could throw projectiles at myself and other Police Officers. While on the line and before making a push, I told the protesters to move or force would be used against them.

DESCRIBE THIS USE OF FORCE:

Subject 1: W/M 5'8", 130 pounds, approximately 18 years old wearing all black. Around 2235 hours, the order was given to clear south bound SW 3rd Avenue to SW Main Street. While clearing the street, I saw Officers arresting an unknown subject. I saw a white male attempting to grab the subject to un-arrest them. I pushed the male in his torso. The male landed on the ground but quickly got back up and ran off in the crowd.

DESCRIBE THIS USE OF FORCE:

Subject 2: H/F, orange hair, 5'10", about 30 years old. Around 2235 hours, myself along with the rest of Delta Squad were pushing the crowd west bound SW Main Street from SW 3rd Avenue. I saw a Hispanic female in front of me facing me. The female would slowly move back and frequently stop to yell at myself and other Officers. The female was moving purposely slow in order to slow the progression of my team. I placed my hand out to guide the female forward. The female slapped my hand away and told me not to touch her. The female then stopped where she was. I pushed the female with my baton 2-3 times in the torso to move her back. The female disappeared in the crowd.

☐ AMENDED

Subject 3: W/M, 180 pounds, 5'11", about 35 years old wearing blue cap, and a jean jacket. Around 0145 hours, myself along with the rest of the squad were assigned to push the crowd west bound SW Main Street at SW 2nd Avenue. The crowd had just tried to break into Central Precinct. A white male stopped in front me and slowly started walking backwards. The male would often stop to yell at me and other Officers. The male was slowing my progression forward. I pushed the male with my baton 2-3 times in the chest. The male dissapered from my view.

	RESISTANCE	WARNING	FORCE	TARGET LOCATION	RESISTANCE CONTINUED	RE-EVALUATE
+						
-	PHYSICAL RESIST	YES	CONTROL AGAINST RESISTANCE	BACK	NO, EXPLAIN	YES

DESCRIBE THIS USE OF FORCE:

Subject 4: W/F, 5'7", about 20 years old wearing motorcycle protective chest and back gear. My squad and I were performing a dynamic maneuverer west bound SW Main Street from SW 4th Avenue. A female was walking with a black male and a white male with glasses. The female began to purposely walk slow to slow my progression forward. I told the female and the group to move or force would be used against them multiple times. The female began to shield the black male from me and continued to walk slow. I pushed the female with my baton 2-3 times in the back on top of her protective gear.

YES WHEN THE RESISTANCE DECREASED, I REDUCED MY AMOUNT OF FORCE TO A LEVEL REASONABLY CALCULATED TO MAINTAIN CONTROL.

DESCRIBE WHY OTHER FORCE OPTIONS WERE REASONABLY CONSIDERED BUT NOT USED:

I could have pepper sprayed the individuals I pushed but did not because it would have been difficult and unsafe to stow my baton away and then unholster my pepper spray.

GENERAL DESCRIPTION OF THE FORCE YOU OBSERVED OTHER OFFICERS USE:

I saw subject 1 get pushed down to the ground, I saw Officer Roberts assist her up, I do not know what led up to her being pushed. After I pushed subject 3, I later saw the male running from the line and wiping his face like he had been pepper sprayed.
